TODAY WE MARK WORLD DAY OF THE POOR: This is the fourth annual day set aside by the Church for reflection and prayer for those less fortunate that ourselves. The Covid-19 pandemic has brought our response to the poor so much into focus and many people in our communities have responded so generously. We must always keep in mind the question: have we all helped as we should? The theme for this Sunday has been chosen by Pope Francis - "Stretch forth your hand to the poor" (Sirach 7:32). Today, these words remain as timely and important as ever.

Prayer for the 2020 World Day of the Poor

Almighty, ever-living God, your beloved Son came to us in poverty to win for us the riches of eternal life. During His time on earth He taught us by word and deed. From His death we learned of the immensity of His love; from His resurrection we learned how to believe and to trust that our lives have purpose from beginning to end. Help us never to forget that every person has value and is loved by you.

Lord God, may we never forget your Golden Rule to treat others as we would wish to be treated and remember to apply that Rule most especially during the golden years of age. Save us from falling into the trap of seeing the elderly as a burden.

As we journey through this life side by side, may we learn to support one another with the combined wealth of youth, strength, wisdom and experience until we are called to the place you have prepared for all those who are poor in spirit and rich in love. We make our prayer through our Lord Jesus Christ your Son, who lives with You and the Holy Spirit, one God, for ever and ever

A FEW MESSAGES FROM FR. KEVIN...

- Please try to come to Saturday evening and Sunday Mass 5 minutes earlier than usual to facilitate the contact tracing.
- Please keep attendance at Anniversary Masses to a small representative group of family members
- The Stormont Executive has limited funeral attendance to 25 people. This is completely out of Diocese/Parish control
- Thank you for your continued support of our parish through the weekly collection, standing orders and parish draw. We don't take this for granted and appreciate your generosity.
- Please look out for and be kind to your elderly, isolated or vulnerable neighbours during these dark days.
- Our Churches are open every day ... why not make a visit to the Blessed Sacrament, light a candle and say a prayer. FAITH offers HOPE and our world badly needs HOPE at this time

PARISH DRAW:

The final date for all monies due is Sunday 22nd November 2020. All monies should be paid up to date in order to be entered in our December Bonus Draw. Please use the usual special envelopes available at the back of both Churches.

GONE ONLY FROM OUR SIGHT.

I am standing upon the seashore. A ship at my side spreads her white sails, to the morning breeze and starts for the blue ocean.

She is an object of beauty and strength. I stand and watch her until at length she hangs like a speck of white cloud, just where the sea and sky come to mingle with each other.

Then someone at my side says: "There, she is gone!"

to her destined port.

"Gone where?" Gone from my sight. That is all. She is just as large in mast and hull and spar as she was when she left my side and she is just as able to bear her load of living freight

Her diminished size is in me, not in her

And just at the moment when someone at my side says "There, she is gone!" there are other eyes watching her coming, and other voices ready to take up the glad shout: "Here she comes!" And that is dying. **Henry Van Dyke**
